Importance: High

Gary and Keith:

Wanted to make sure you knew we are rolling out our FOV on Puna Geothermal today. Jeremy has been keeping your staff up to date on our roll out strategy.

Let me know if you have any questions.

Enrique

Subject: Puna Geothermal Venture - Transmittal of Finding of Violations

Dear Beryl & Gerald –

Today EPA transmitted the attached letter and attachments, including a Finding of Violations, to Puna Geothermal Venture. Please let me know if you have questions or wish to discuss.

Regards,
Jeremy
